MAIN STORIES

62 And then there was light: Primal Scream

Primal Scream are back with a seventh album. They've got Andrew Weatherall, Robert Plant and Kate Moss in tow. And they're feeling better than they have in years. Bring on the Third Summer of Love.

72 Space Odyssey 1969: CQ

On set with Elodie Bouchez, Angela Lindvall and Jeremy Davies for Roman Coppola's first feature film, CQ.

82 Skills And Stills: Dazed meets Etnies

Dazed teamed up with US skatewear label Etnies to ask four young photographers to put their own unique spin on Etnies' skate shoes and clothing. The results are in.

88 "You Shit-Eating Swine!": Hunter S Thompson

Interviewed at his Colorado ranch, the veteran American writer gets hot under the collar about George Bush, the American Dream and his own (failed) political career.
