### The Headmaster, the Matron and the Scissors Coup

**Follow-up to the admired *Beaten by the Masters*, by the author of the acclaimed *Monastery* series.**

As in *Beaten by the Masters*, a host of entertaining characters face each other at the bridge table – the school Matron, the fearsome Headmaster, the ancient Reverend Benson, the much loved senior maths master, Bertie Bellis, overbearing school prefects and terrified younger boys – with *Bridge Magazine* writing: ‘Each of David Bird’s books features some great bridge, and that tradition carries on here with some good technical points, and a few humorous expeditions into the hinterlands of bridge. Excellent bridge, amusing characters, and some great dialogue’.

- Master Bridge Series in association with Peter Crawley
