VICTORIA AVEYARD

Red Queen

A thrilling new fantasy trilogy for fans of *Divergent* and *The Hunger Games*.

This is a world divided by blood – red or silver.

The Reds are commoners, ruled by a Silver elite in possession of god-like superpowers. And to Mare Barrow, a seventeen-year-old Red girl from the poverty-stricken Stilts, it seems like nothing will ever change. That is, until she finds herself working in the Silver palace. Surrounded by the people she hates most, Mare discovers that, despite her red blood, she possesses a deadly weapon of her own. One that threatens to destroy the balance of power.

But this is a world of betrayal and lies, and Mare has entered a dangerous dance – Reds against Silvers, blood against blood, and Mare against her own heart.

A fantastic saga from a young and exciting author.
