MICHAEL CONNELLY

Two Kinds of Truth

Harry Bosch searches for the truth as an old case from his LAPD days comes back to haunt him in this gripping thriller from mega-bestseller Michael Connelly.

Harry Bosch is back as a volunteer working cold cases for the San Fernando police and is called out to a local drug store where a young pharmacist has been murdered. Bosch and the town's three-person detective squad sift through the clues, which lead into the dangerous, big business world of prescription drug abuse.

Meanwhile, an old case from Bosch's LAPD days comes back to haunt him when a long-imprisoned killer claims Harry framed him, and seems to have new evidence to prove it.

The two unrelated cases entwine, and along the way Bosch discovers that there are two kinds of truth: the kind that sets you free and the kind that leaves you buried in darkness.
