### Sleepless

**A blisteringly powerful thriller set in a Los Angeles ravaged by a plague of sleeplessness**

When a plague of sleeplessness attacks Los Angeles and the world beyond, LAPD cop Parker T. Haas' cast-iron sense of right and wrong is tested to destruction. As Haas negotiates the increasingly chaotic and dangerous world of a city slowly going mad, he crosses the path of a fanatically amoral hired killer. Parker must figure out how to save his wife Rose – herself a victim of the disease – and their newborn baby, whose uncertain future is coming into being before their eyes.

**Charlie Huston** lives in Los Angeles with his wife, the actress Virginia Louise Smith. [www.pulpnoir.com](http://www.pulpnoir.com)

### The Weed That Strings the Hangman's Bag

**The delightfully dark second volume in the acclaimed Flavia de Luce mystery series**

When a travelling puppet show arrives in Bishop's Lacey, a dark shadow is cast over the sleepy English village. First, a grisly murder takes place during a performance of *Jack and the Beanstalk* in the village hall and then an earlier, even nastier crime is revealed. For eleven-year-old Flavia, undoing the complex knot that ties these strands together will test her precocious powers of deduction to the limit.

**Alan Bradley** is the author of the first Flavia de Luce mystery, *The Sweetness at the Bottom of the Pie*. He lives in southern Europe. [www.flaviadeluce.com](http://www.flaviadeluce.com).
