

Tami Hoag Deeper Than the Dead

Like father, like son...?

Thomas Crane is a normal 10-year-old boy, until the day his father is questioned about a string of gruesome murders. Across town, Dennis Larkin is growing up in very different circumstances, in a violent, loveless home. His father has also been pulled in on suspicion of the same killings. On the case are homicide cop Tony Mendez and FBI Agent Anne Navarro. In their hands lies the fate of not only the killer's latest abductee, but also of two small boys. After all, perhaps evil binds as tightly as love...

Tami Hoag's novels have appeared regularly on the bestseller lists since the publication of her first book in 1988. She lives in California.
