Jacqueline Carey Naamah's Kiss

An epic fantasy tale of gifts and destiny

Moirin possesses gifts: the ability to summon the twilight and conceal herself, the skill to coax plants to quicken. But she has an unknown destiny, one that lies somewhere beyond the ocean. And that destiny promises both pleasure and pain as she must face an ambitious mage, a noble warrior princess and the spirit of a dragon.

Jacqueline Carey's novel is a beautifully written and unputdownable read, with a cast of memorable characters.
