**A frank, funny and no-holds-barred guide to men, from the bestselling author – and former call girl – Belle de Jour**

Belle de Jour is a woman who's met men of every conceivable type. And outside the one hour appointments, she's also had her heart broken, picked herself up and put on another pair of stunning shoes and carried on. So sit back, relax and listen to what your friends are too polite to tell you. Whether you want to find men, lure them, ditch them, hitch them – here's the lowdown.

**Belle de Jour** is the nom de plume of a former London call girl. Despite the best endeavours of the press, she remains anonymous.
