I Am Scrooge

A Zombie Story for Christmas

A Christmas Carol with added festive gore

Ebenezer Scrooge sits in his house counting money. The boards nailed over the doors and the windows shudder and shake under the blows from the endless zombie hordes that crowd the streets hungering for his flesh and his miserly braaaaiiiiiinnns! It's the Dickensian zombie apocalypse – God bless us, one and all! This is a hilarious antidote to seasonal cheer and a great stocking-filler. Christmas has never been so bloody.

Adam Roberts first novel, *Salt*, was nominated for the Arthur C. Clarke Award. He has also published a number of academic works on SF. He lives in Staines, Middlesex. www.adamroberts.com
