

SEVEN DIALS

Fresh Publishing, Timeless Books

Seven Dials is Orion's bestselling non-fiction imprint. Over the past 25 years, Orion has become the home of big brands, beautiful and award-winning cookery books and bestselling, timeless memoirs. With a nod to Orion's past and a fresh, ambitious strategy for the future, **Seven Dials** publishes with a 'style not fashion' confidence to ensure longevity and success for our authors.

The imprint focuses on seven dials of publishing: Memoir & Biography; Food & Drink; Ideas; Gift & Humour; Lifestyle, Diet & Fitness and the Dials Bookshelf, which celebrates Orion's eclectic non-fiction backlist.

Seven Dials authors include national treasures such as the Hairy Bikers, TV personalities Fearne Cotton and Davina McCall, Allan and Barbara Pease, TED speaker Amy Cuddy, celebrity chef Michel Roux Jr, bestselling diet recipe writer Kate Harrison, actor Bryan Cranston, parenting blogger Sam Avery, Hollywood's animal behaviour trainer Julie Tottman, and the inspirational mouth artist Henry Fraser.
