Le Guess Who?

Utrecht, Netherlands

From Holland to the world

This city-wide celebration of global sounds offers musical boundary crossing across a wide range of venues including theatres, churches and even warehouses. Previous line-ups have included Junun, Amadou & Mariam, Stella Chiweshe and Elza Soares. Utrecht is a city of historical note, with a medieval centre and expansive canal system; its 14th-century bell

tower is definitely worth a visit – the tallest in the country.

Jerusalem International Oud Festival

Jerusalem, Israel

A meditation on the oud

Facing out towards the Tower of David, the 19th-century cultural centre Confederation House hosts events throughout the year. This winter celebration of the *oud*, Arabic music and the Asian subcontinent has an exciting programme. This year sees Karnatic vocalist Aruna Sairam perform, and a special performance in memory of Iraqi singer Salima Murad.
