

Bathroom showcase

From Frontline's Contemporary Collection, this Primo sanitaryware features masculine angles and cubed chrome brassware details for a smart, urban look. It is available separately or as a complete suite comprising a 1700x700mm bath, 600mm pedestal basin, WC with soft-close seat, Cubix taps and all necessary wastes, £975. **0845 470 2424** | www.frontlinebathrooms.co.uk

Design tip: Investigate the possibility of installing sanitaryware at different levels, which will bring a heightened sense of style to your bathroom and can help zone a space, as well as maximise the floor area. Perhaps you can sink a bath in the floor, or as here, build a platform to take advantage of beautiful views from a window.
