

Above The S2 kitchen from SieMatic includes a multi-media system allowing customers to enjoy fully integrated technology in their cooking space. The design incorporates a SmartBoard to control all the technical components, such as an iPod docking station, TV and computer. There is also an 'air mouse', which acts as a remote control to operate the touchscreen computer from the dining table. • Various colours and finishes available
• From £25,000 0844 335 6595 | www.siematic.co.uk

Above right The sleek stainless style of the Caple Orbit extractor hood is enhanced by its remote control operation – doing away with the need for controls located on the hood and so creating a stylishly streamlined look. • Four speeds, max extraction rate 800m³/h • Max. noise level 59dB(A) • 50W dichroic light to illuminate the cooktop • OC360SS wall model, £630; Oi360SS island hood, £721 0117 938 1900 | www.caple.co.uk

Right You can change the mood of your kitchen at the touch of a button with the Sensio LED RGB colour-changing flexible strip. • The remote control can be used to turn the lights on or off, alter the speed or to pick a different colour • The remote can be used with either the surface light or flexible strip • From £99.99 for the control, receiver and driver (SE40571) • From £27.95 for a 300mm LED RGB colour changing flexible strip
