Adrian Goldsworthy True Soldier Gentlemen

A brilliant Napoleonic military fiction series from one of the UK's brightest young historians

1808; Hamish Williams, a 'gentleman volunteer', serves with the ranks but lives with the officers, and is uncomfortable in both worlds. Williams is determined to prove he is a man worthy of advancement, and when his regiment embarks for Portugal to begin the Peninsula War against Napoleon, his chance of glory is at hand... Combining the vivid detail of a master historian with the pulsating action of a natural storyteller, this is the first volume in what promises to be a classic series.

Adrian Goldsworthy is the author of such highly acclaimed histories as *Caesar*, *The Punic Wars* and *The Fall of the West*. He lives in South Wales.
