

“There’s nothing like flying to Australia on the Qantas A380” - John Travolta

When it comes to travelling to Australia, we believe your journey should be as memorable as your destination. On the Qantas A380, it undoubtedly will be.

Step on board and you’ll experience a new level of spaciousness and cutting edge design by Marc Newson.

Our Economy seat has won an Australian International Design of the Year Award, and the Economy cabin boasts four

self-serve snack bars that offer a range of refreshments around the clock.

While Premium Economy has been adjudged ‘best’ by Skytrax.

Business passengers can stretch out on the longest A380 flat bed, and enjoy a Neil Perry-designed menu and an awarded wine list.

If you’re flying First you can enjoy a la carte dining or an eight-course tasting

menu in a private suite, which turns into a flat bed at the touch of a button.

Once you’ve arrived in Australia, Qantas will help you enjoy more of the continent.

We fly to 53 destinations across the country, taking you from the spiritual landscapes of the Red Centre and the dazzling Great Barrier Reef, to the vibrant sights, sounds and tastes of our cities.

There’s nothing like Australia, and nothing like experiencing it with Qantas. Make your next destination qantas.com

Enjoy the Journey

A380 only available on selected routes.
