Primmy Chorley: Another World

Gallery 2 & 3 Ruthin Craft Centre
6 April – 14 July 2019

My work is a tool, a process I use to get out my good and bad memories – it's a healing process. It is not that I am too proud or precious about my work, but I feel it is too personal to be apart from. My work is quite simply a diary – Primmy Chorley. Curated by June Hill.

A beautifully presented publication accompanies Primmy's Exhibition.
