

THE BIG STORY

HOWARD SOCHUREK / GETTY

- 15 Worlds apart**
Yohann Koshy traces a line from the golden age of solidarity to today and asks: what would a new internationalism look like?
- 21 How to be an internationalist**
Eight ideas that will put your theory into action.
- 22 ¿Hasta siempre?**
Sujatha Fernandes on the viability of Cuban internationalism in turbulent times.
- 23 Solidarity with the people of the Niger Delta**
The first of Emily Johns' three Cuban-inspired solidarity posters.
- 24 Corbyn vs the nation**
Jeremy Corbyn is an internationalist. But the British economy is hardwired to extract profit from the Global South. Barnaby Raine squares the circle.
- 27 Uber drivers of the world, unite!**
The workers' movement is becoming more internationalist, according to Notes from Below.
- 30 The far-right international**
Simon Childs on the strengths and limits of far-right co-ordination.
- 34 When the stars began to shine**
What has become of the 'Third World'? Featuring Vijay Prashad and Thomas Sankara.
