SHARJAH ART FOUNDATION

**Sharjah Biennial 14 • Leaving the Echo Chamber • 7 March–10 June 2019 • Curated by Zoe Butt, Omar Kholeif and Claire Tancons.** In three unique exhibitions, Sharjah Biennial 14 (SB14) explores the possibilities and purpose of producing art when news is fed by a monopoly of sources, history is increasingly fictionalised, when ideas of 'society' are invariably displaced, and when borders and beliefs are dictated by cultural, social and political systems. SB14 is organised by Sharjah Art Foundation, Sharjah, United Arab Emirates. [f](#) [@](#) [@sharjahart](#) • [sharjahart.org](http://sharjahart.org)
