REAL HOMES

26 *Figure it out*

A city banker's south London home has been transformed into a relaxing place to cook, eat and relax.

42 *Instagramable industrial*

Combining dark grey with natural stone, wood and brick, this loft-style kitchen looks luxurious in an extended 1950s suburban home.

74 *Bringing back the memories*

No longer tired and poorly laid out, this space has been transformed into a cooking and entertainment paradise that caters for all.

86 *Home on the range*

The timber details and contrasting tones of its contemporary open-plan kitchen echo the period style of this listed stone farmhouse.
