## REAL HOMES

### 22 *Digging deep*

Excavating the basement presented an opportunity to create a longed-for light-filled entertaining kitchen in this West London home.

### 50 *On another level*

Never overlook the power and beauty the right worksurfaces can bring to your kitchen.

### 66 *Parallel lines*

A contemporary barn conversion kitchen comprising three stretches of cabinetry makes for a cool space to cook and entertain.

### 78 *Ahead of the curve*

This modern, curved kitchen is created for ease of everyday living but also cries out to be used for entertaining.
