General Data Protection Regulation Statement

Headquarters Household Division has a General Data Protection Regulation (GDPR) policy to which *The Guards Magazine* is compliant. Specifically, please note that:

- *The Guards Magazine* publisher undertakes that subscribers' addresses provided to him will only be used for the purpose of posting copies of the magazine and will not be shared with other parties.
- Any lists that appear in *The Guards Magazine*, such as Honours and Awards and RMAS Commissions, will have been formally cleared for publication in the public domain.
- With regard to photographs published in *The Guards Magazine*, The Editor accepts these for publication on the understanding that those individuals submitting them have, where required by data protection legislation, obtained consent to publication from those depicted. Anyone who believes this is not the case or has any concerns in this matter should contact The Editor.

Information on the digital and online versions of this magazine are on page iii.

Cover: Colour Sergeant Michael Little, Scots Guards, part of a 4-man team mentoring Ukrainian infantry instructors. The 5-week deployment, in Jan-Feb 2020, was in support of Operation ORBITAL in Ukraine. The operation involves training the Ukrainian armed forces in the identification of mines and improvised explosive devices (IEDs), medical care, infantry skills, and logistics.
