

contents

ISSUE 112, FEBRUARY 2021

Features

Serge Gainsbourg

Histoire de Melody Nelson, the second instalment

48

The Ventures

How America's biggest pre-Beatles act changed with the times

56

Steve Ellis

The 10 years that followed *Love Affair*

62

Nancy Sinatra

The singer, actress and go-go icon reflects on Lee Hazlewood, *The Wild Angels*, cult adoration and critical rebirth

68

“The truth is I tended not to listen to Lee very much. We had a teacher/student kind of relationship in the studio mostly. A lot of people like to describe him as a Svengali but it wasn't like that. Once he realised I could do his material properly, he respected me and let me be”
