

EUROPE

The tyranny of the meritocracy

The most educated rule us all and pass on their privileges to their children | PIERRE RIMBERT ► P4

AFRICA

Artefacts that need to go back home

European museums and collectors are still reluctant to return African art | PHILIPPE BAQUÉ ► P8

SOUTH AMERICA

Bolivia's water dries and its ice melts

As glaciers disappear, the cities will face regular and extreme droughts | CÉDRIC GOUVERNEUR ► P10

MIDDLE EAST

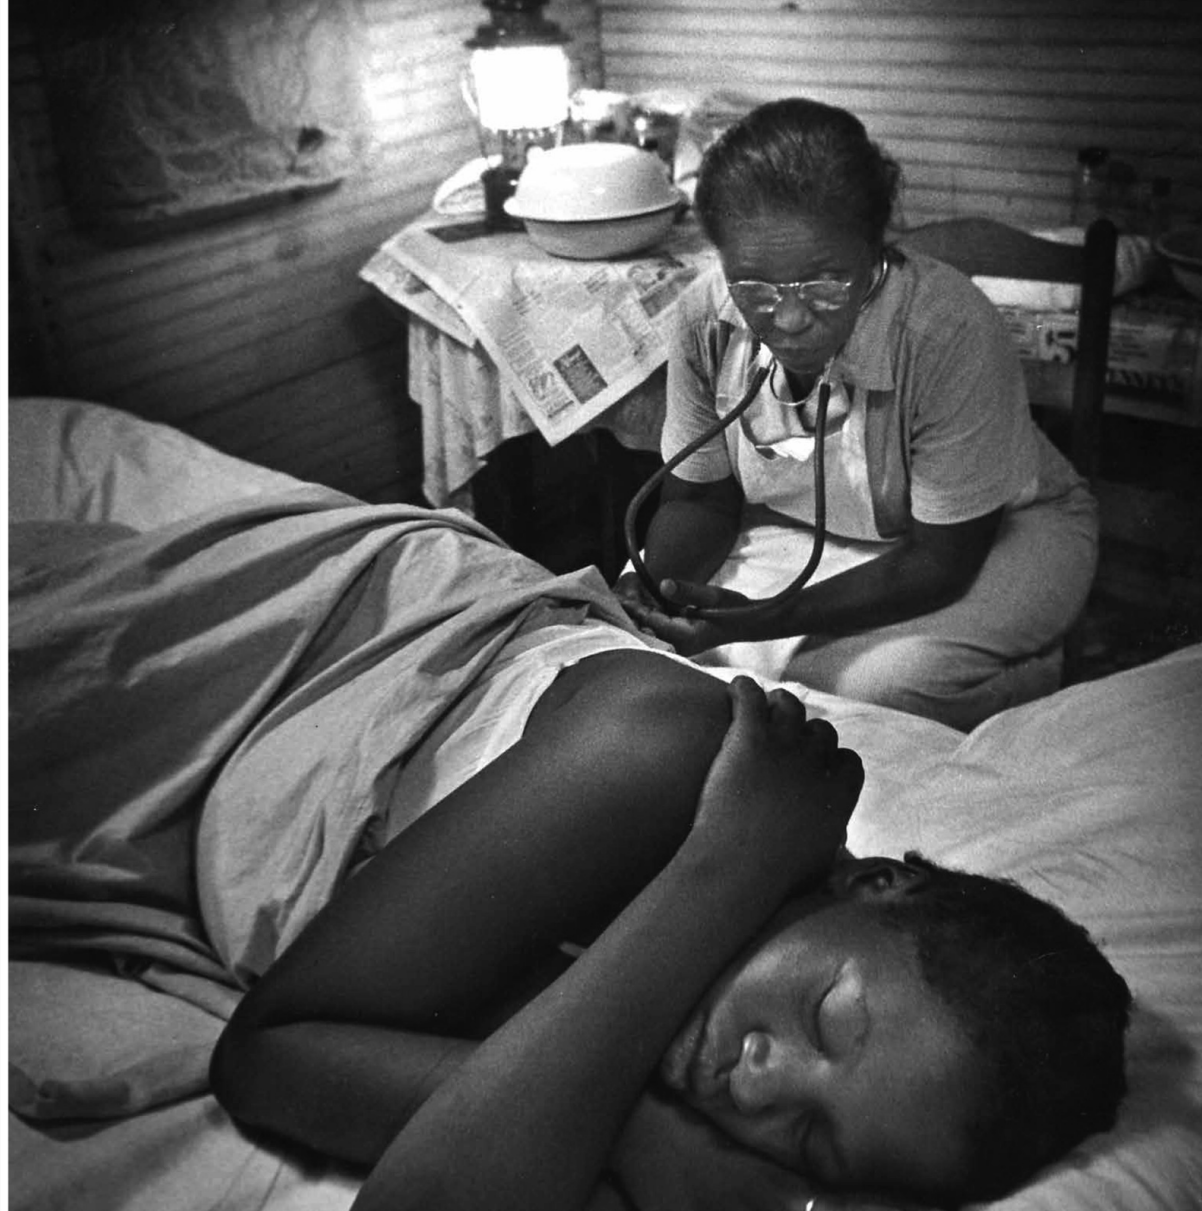

No borders for media with shared language

What began as rulers' messaging is region-wide communication now | ARTHUR ASSERAF ► P12

LE MONDE *diplomatique*

The defective US health system Just who does it really help? THOMAS FRANK ► P2
