EVERYTHING YOU CAN LOOK FORWARD TO IN ISSUE 433

Catch up with Van Live!

If you were able to join us for our Van Live! Caravan and Motorhome Virtual Show, which ran during October – and many thousands of you did – I hope you had as much fun visiting the event as we did putting it all together!

But if you weren't able to make it at the time, don't worry – we've kept all of the great content online, so it's not too late to visit.

Simply go to www.practicalcaravan.com/van-live, where you can read all of the latest news for 2021 about your favourite manufacturers, dealers and campsites, as well as browse accessories, read (and watch) celebrity interviews, enter our brilliant

Vango competition and much more!

If that's not enough to tempt you, you'll find a more comprehensive round-up of exactly what you can see at Van Live! on p64 of this issue. Have fun!
