cover features

4 Self-Sufficiency on a Budget

Liz Zorab describes how to set up a productive veggie garden by being creative and resourceful.

8 How to Improve New-Build Gardens

Jennifer Lauruol explains how she uses regenerative permaculture to create wildlife-friendly and attractive havens.

17 Designing a Community Farm for a Pandemic

Jennifer Macdonald shares how her family set up a land-based business in the pandemic and, through sheer hard work and support, they have thrived.

27 Outlawing Ecocide

The global campaign co-founded by visionary lawyer, Polly Higgins, lives on and goes from strength to strength. Leonora Fisher outlines the latest international developments.

37 Young Permaculturists are Changing the World!

The 2020 Youth in Permaculture Prize, highlighting three innovative projects that create positive, solution-based change for thousands of people.

41 IBC Tanks Rock

Matthew Watkinson explains why IBC tanks are an upcycler's dream.

cover story

30 Unstink The World!

Simon Constantine wants to make business a force for good in the world. Here he explains how entrepreneurship and philanthropy can be a winning combination.
