

A Piano For Every Performance

ACOUSTIC | DIGITAL | HYBRID

For nearly 100 years the name Kawai has been synonymous with craftsmanship and quality. In that time we have dedicated our expertise to designing, developing and crafting superb musical instruments of world renown. From acoustic upright and grand piano models to digital or full hybrids, all are designed to suit every budget and compel the pianist, from novice to professional.

So whether you're playing at home, on stage or in the concert hall, a Kawai piano is for you!
