

NEW from

**Book 2.5 for Violin, Viola, Cello and Double Bass.**

28 varied pieces that combine new compositions by Thomas Gregory with popular classics. Duets, rounds and more, ideal for both individual and group teaching for pupils who are working towards grade 3 or 4. As with other Vamoosh titles, all books are compatible with engaging backing-tracks that are available online.

*"2.5 is Thomas Gregory at his creative best, with compositions that will capture the imagination of teachers and students, and are sure to become fixtures in our ensemble concerts!"*  
 Juan Drown, Head of Strings, St. Albans Music School.

# STENTOR

## The First Choice

- Stentor offers high quality instruments to string players at every level.
- Stentor violins, violas, cellos and double basses are carved from solid tonewoods with correct measurements and good tonal quality, offering students the best start to their musical careers. We carefully control the specification and quality at our own factory workshops to ensure instruments with good tone and the best playability.
- Start playing with our best-selling outfits:
  - Stentor Student I and II
- Step up to a Stentor Graduate, Conservatoire or Verona
- Experience our high grade orchestral models:
  - Messina, Elysia and Arcadia
- Stentor Student I and Student II outfits are played in most schools in the UK and many throughout the world.

Available in all sizes from music retailers throughout the UK
